

# Tracking - EPE Ways of Working

## Objective:

To track team ceremonies and ways of working of the EPE OneCRM Immunology team and share the same with OUS DevOps team

## Observations:

Date	Ceremony observed	Observations and Anomalies	Expected Behavior
10 Jan 2022	Daily Standup	<ol style="list-style-type: none"><li>1. Kundlik gave some team updates, for the rest he asked the team members</li><li>2. Kundlik informed everyone of the status of the V 5.0.1 release</li><li>3. Sprint Planning done for Sprint 1, Sprint 2 and Sprint 3</li></ol>	Sprint level stories need to be planned by the team members
11 Jan 2022	Daily Standup + Sprint Planning	<p>Sprint 1 is 3 weeks long - "Immunology V6 Sprint 1" - some stories still require SQA approval, Adrianna says no blocker to start the sprint</p> <p>Sprint 2 is 2 weeks long - "Immunology V6 Sprint 2"</p> <p>Sprint 3 is 3 weeks long - "Immunology V6 Sprint 3"</p>	Sprints should follow same cadence
12 Jan 2022	Daily Standup	No specific observations	
13 Jan 2022	Daily Standup	No specific observations
