# How to accept the invite

For members who have been invited by **Send invitation email**, they need to follow the below steps to join the organization account:

1. The invitee will receive an e-mail informing that they have been invited to join BrowserStack.
2. Click on the **Join now** button in the invite e-mail. It will redirect to browserstack.com to accept the invite.

3. The invited user will land on **Sign-up** or **Sign-on** page:
   If the invited user's account does not exist on BrowserStack, the **Sign-up** screen will be shown

4. Enter **FULL NAME**
5. Set **PASSWORD.**
6. Click on the **Check box** of Terms & conditions.
7. Click on **Sign me up**.
8. On successful completion, the invitee will get added to the Organization account they were invited to.
